Shield '69

The Shield 1969

The Annie Wright
Seminary

Tacoma, Washington

ALMA MATER

Hail to thee, our Alma Mater,

Seminary fair;

May achievements crown thy labors

Is our earnest prayer.

Chorus:

Hearts turn toward our Alma Mater

May our lives at length

Prove thy daughters bear thy motto:

"On From Strength to Strength."

Deep and true as those blue waters

Thou art reared above,

May the characters thou moldest

Hold thee in their love.

(Chorus)

Pure as yonder snow-clad mountains

Where our glances fall,

May we in the years to follow

Answer to thy call.

(Chorus)

DEDICATION

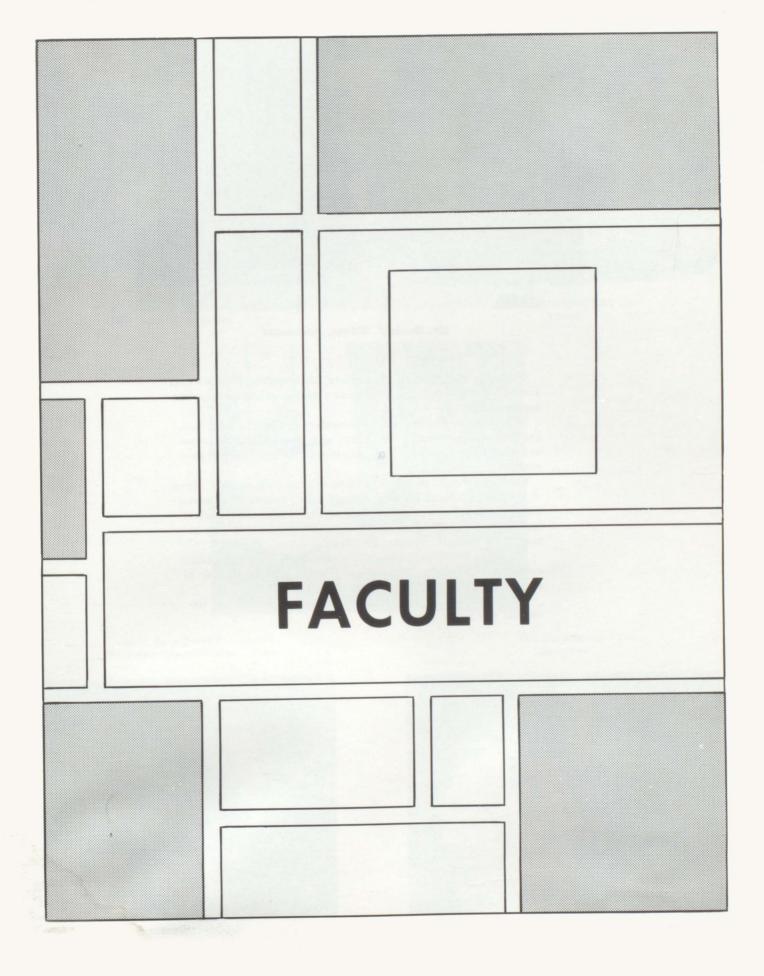

Miss Helen McKay

For your forty-three years of dedication and service to this school, both in teaching and counselling, we dedicate this Shield to you.

Through the future years, we will remember your dedication to all students. You have watched the school grow and seen many girls graduate. As we, the Class of 1969, graduate, we wish you every happiness in the years to come.

Mr. Harold F. Witman, Headmaster

Change is axiomatic in any society, but especially in this era. You have been privileged to witness a degree of change unprecedented in history.

When you were in the early elementary grades the first U.S. satellite was launched. Now, three men have orbited the moon and possibly before your metriculation in college one will have stepped on lunar soil.

Alterations persist in daily life as well as they should. Some of you have accepted the increasingly heavy mantle of responsibility as it has been granted. Othere are still in the throes of learning that with freedom goes a greater duty. This duty is not only to oneself, but also to others.

You are a fascinating class. Complex and direct. Sophisticated and fun-loving. Musical and literate. While difficult to comprehend on occasion, you have been a challenge.

I trust you will always be ready for the complexities of the months and years ahead.
